Review Courses for Levels I and II

CFA Society of Sydney plans to conduct Review Courses for candidates preparing for Levels I and II of the CFA Program in June semester of 2010. It is expected that each course will be conducted over six Saturdays from early February until early May, followed by a Practice Exam in mid-May.

We are still in the process of finalising the arrangements but we expect that these will be available by the third week of January, when we hope to be able to begin accepting registrations.

Details will appear on the CFA Society of Sydney website as soon as they are available.
